# Why hire an illustrator?

Are you looking for a unique and personal experience to delight your guests and help make your wedding unforgettable?

Hiring me as your illustrator gives your guests a fun talking point and the most special of favours, creating a lasting keepsake of your special day.

My illustration style suits all ages so nobody will feel left out. If your guests prefer to pull a silly face rather than make a formal pose, I ensure their personality shines through!

# A Forever Keepsake

## PLATINUM: YOUR KEEPSAKE BOOK

Platinum includes up to 100 guests, some of whom will be illustrated on the day, and some afterwards in my studio. I also illustrate 'details' from your day, such as elements of your decor, flowers, cake, or features of your venue. Next, I carefully digitise every illustration to create you an extra special keepsake book to treasure forever.

Within four weeks of your wedding, you will receive a gorgeous box containing:

- Your illustrated keepsake book, professionally printed in glorious full colour at A4 size with a hard backed cover.
- 8 original illustrations of 'details' from your day.
- A4 illustration of you and your partner.
- All of your guest illustrations.

Whichever package you choose, your guests will be delighted to experience a live illustrator at your wedding, and will be thrilled to be gifted such a unique favour.

# How does it work?

## BEFORE THE BIG DAY

After our initial booking chat, we'll catch up around 3 months before your wedding date.

At this point, we can discuss your backing card design, go over timings, confirm any additional guest numbers, and where you'd like me to be situated on the day.

I'll also speak to your venue to discuss my arrival and set-up.

## ON THE DAY

I'll approach the first few guests to ask them to pose for a quick snap and then work from their photo, so that your day can continue uninterrupted. After a while, guests start to come over to me.

I'll display all completed illustrations as I go, which makes a great talking point and entertainment for your guests during those quieter moments.

If you choose Silver or Gold, your guests will take their illustrations home on the day. Additional guests may be illustrated at home in my studio afterwards. With Platinum, everything will be sent to you afterwards.

# Frequently Asked Questions

## DO YOU WORK WITH TRADITIONAL MATERIALS OR DIGITAL?

I use primarily ink and watercolour for live illustration, but digital is available on request.

## DOES 'NUMBER OF GUESTS' QUOTED IN YOUR PACKAGES MEAN 'NUMBER OF ILLUSTRATIONS'?

If you have 60 guests and they all choose to pose as couples, then there would be 30 illustrations. If 60 guests all posed by themselves, there would be 60 illustrations. Although some guests like to pose individually, most will pose in couples or small family or friendship groups. I find it best to quote by number of guests, so that everyone will get a chance to be illustrated.

## WHAT SIZE ARE THE ILLUSTRATIONS?

I use A6 sized paper. This suits up to 3 adults, or 2 adults and 2 children.

## CAN I HAVE A BESPOKE PACKAGE?

Absolutely! If none of my packages quite fit, tell me your thoughts and let me craft your perfect bespoke package.

## WAIT - I HAVE MORE QUESTIONS!

Then let's chat! No question is silly or too small. Get in touch and let me answer whatever you'd like to know.
